[1] "I didn't have time to write a short letter, so I wrote a long one" (attributed to Mark Twain)

Submission of Deliverables

- Through course management system

Time of Day for Weekly Deliverables

- Right before class

Plagiarism

- Plagiarism
  - is providing as your work the work of others
  - with or without those other people's consent

- Other people
  - Other people may be other students in the course
  - May be any web source, including Wikipedia

- Citing sources
  - You can cite or use others if you clearly list the source
  - In most cases, you should limit any verbatim use

Handling Plagiarism

- Detecting plagiarism

  - We review your work and will detect plagiarism
  - Students are required to report any plagiarism they see

- Handling plagiarism

  - Any plagiarizing student will receive 0 points for their work
  - We will review any involved student's full submission history

- Review components

  - For reviews, it is acceptable to reuse your own text components
  - This is called self-plagiarism (and usually not acceptable)

Thank you! Questions?
