# Submission of Deliverables

- Through course management system

# Time of Day for Weekly Deliverables

- Right before class

# Plagiarism

- Plagiarism
  - is providing as your work the work of others
  - with or without those other people's consent

- Other people
  - Other people may be other students in the course
  - May be any web source, including Wikipedia

- Citing sources
  - You can cite or use others if you clearly list the source
  - In most cases, you should limit any verbatim use

# Handling Plagiarism

- Detecting plagiarism

  - We review your work and will detect plagiarism
  - Students are required to report any plagiarism they see

- Handling plagiarism

  - Any plagiarizing student will receive 0 points for their work
  - We will review any involved student's full submission history

- Review components

  - For reviews, it is acceptable to reuse your own text components
  - This is called self-plagiarism (and usually not acceptable)

# CW #03 Deliverables Due

- Project pitch (optional)

  - Every team can submit exactly one pitch

  - The pitch must fit into one of three categories
    - New (to be created) open source project
    - Existing successful community open source project
    - Software of existing commercial vendor

  - The pitch must explain why
    - This project / software is a good fit for the course
      - Is it fun?
      - Does it make sense?
      - Will everyone find enough material?

    - In three slides or less; be prepared to present it

  - Submit as PDF file (not Microsoft Word nor Google Doc)

- Present your business model so far
  - Answer questions according to homework tab of Course overview
    - An answer may have at max. three slides
    - More slides are acceptable in (ungraded) backup section

  - Use slide deck template https://bit.ly/2MvKvOV
  - Name submissions coss-ws2020-team-X-homework-Y.pdf
  - Submit as PDF file (not Microsoft Word nor Google Doc)

# CW #15 Deliverables Due

- Present updated and completed business model
  - Answer all questions for all components
    - An answer may have at max. one page of text [1]
    - It may include one or more figures, tables, …

  - Use final report template https://bit.ly/30dXFbH
  - Name submission coss-ws2020-team-X-final-report.pdf
  - Submit as PDF file (not Microsoft Word nor Google Doc)
